

## **JYJ presented their european tour in Spain**

**JYJ** have already landed in Barcelona, Spain, and **Asian Club** have attended at the press conference that **JYJ** offered for everyone, the korean, spanish and international media. To start, they made an introduction about the history of the group:

"JYJ is a korean group of three members that are **Jaejoong, Yoochun** and **Junsu**.

After releasing their english album *The Beginning*, which was produced by **Kanye West** and **Rodney Darkchild**, the group have acquired much fame and popularity.

After doing concerts in 7 cities, they made a major concert in Seoul, where 70.000 spectators attended. They also did a World Tour in North America, Europe and Asia, where they had over 200,000 spectators. After the World Tour, the group made a compilation of their hit songs and made the album *In Heaven*, which songs are written by themselves, so the level of work in it was harder. After the release of this album, was one of the best moments of the band career.

They had many visitors and online sales reached more than 200.000. Recently gave a concert in Japan, which lasted two days, with more than 80.000 spectators and the members showed their best.

Now it's time for their concerts in Europe and tomorrow, 29<sup>th</sup> october in Spanish Village, they will welcome their european fans. The next week, **Junsu, Jaejoong** and **Yoochun** will go to Berlin, where they will welcome their german and east-european fans. Also, is true that their individual activities are remarkable. For example, **Jaejoong** and **Yoochun** interpreted in dramas, and **Junsu** performed in the musical *Mozart*, where he received an award as Best Revelation Actor ". Then they told us how they felt, their arrival in Spain and their points of view.

**Junsu:** *"Thank you for coming to the press conference. I didn't know nothing about Spain and when I got here we were received very well by many fans. I'm very happy to be here. Thank you very much. "*

**Jaejoong:** *"I haven't eaten spanish food and I would like to, but most important now is to offer a good show the spanish fans. Thank you. "*

**Yoochun:** *"I'm very happy to be here. This is the first time I come to Spain and everything is amazing for me. We would like to do a good show and visit Barcelona. Thank you very much. "*

After giving their impressions about their arrival, a couple of korean media did their questions to the group:

**Have you think about do a collaboration with an european artist ?**

**Jaejoong :** *" We love to collaborate if we had the opportunity."*

**After the concerts in Barcelona and Berlin, what would you like to do ?**

**Jaejoong :** *"We would like to visit more countries and cities, but also we want to relax and then concentrate more on music."*

Then, que time for questions ended and the group said goodbye politely while **Jaejoong** delighted us saying "Adiós" (Goodbye in spanish) followed by laughter.
